Cancer Cured.

PICKENS, S. C., January 27, 1894. TO THE PUBLIC: For the benefit of those that are suffering with Cancer or Tumors, I will give you a statement of my case. About three years ago last Spring I noticed a small lump in my nose and I soon became alarmed and consulted a Doctor and he pronounced it a Tumor and treated it as such, but afterwards it bursted. I then consulted Dr. Wilkinson at Greenville, and he treated it awhile and he pronounced it well; but in about six months it came back again, and on the 30th day of November, last, I commenced the use of W. V. HOLDEN'S MEDICINE, and in THIRTEEN DAYS the Tumor or Cancer came out leaving a simple sore to heal, which healed up nicely in a short time, and it appears now to be sound and well. The MEDICINE is superior to any thing I have ever used.
